

The background of the central section is a repeating pattern of various kitchen-related icons in a reddish-brown color. These icons include pots, pans, a spatula, a whisk, a coffee pot, a kettle, a toaster, a mixer, and various types of cookware and utensils.

## **NEW COOKING RANGE MADE IN ITALY 2021**

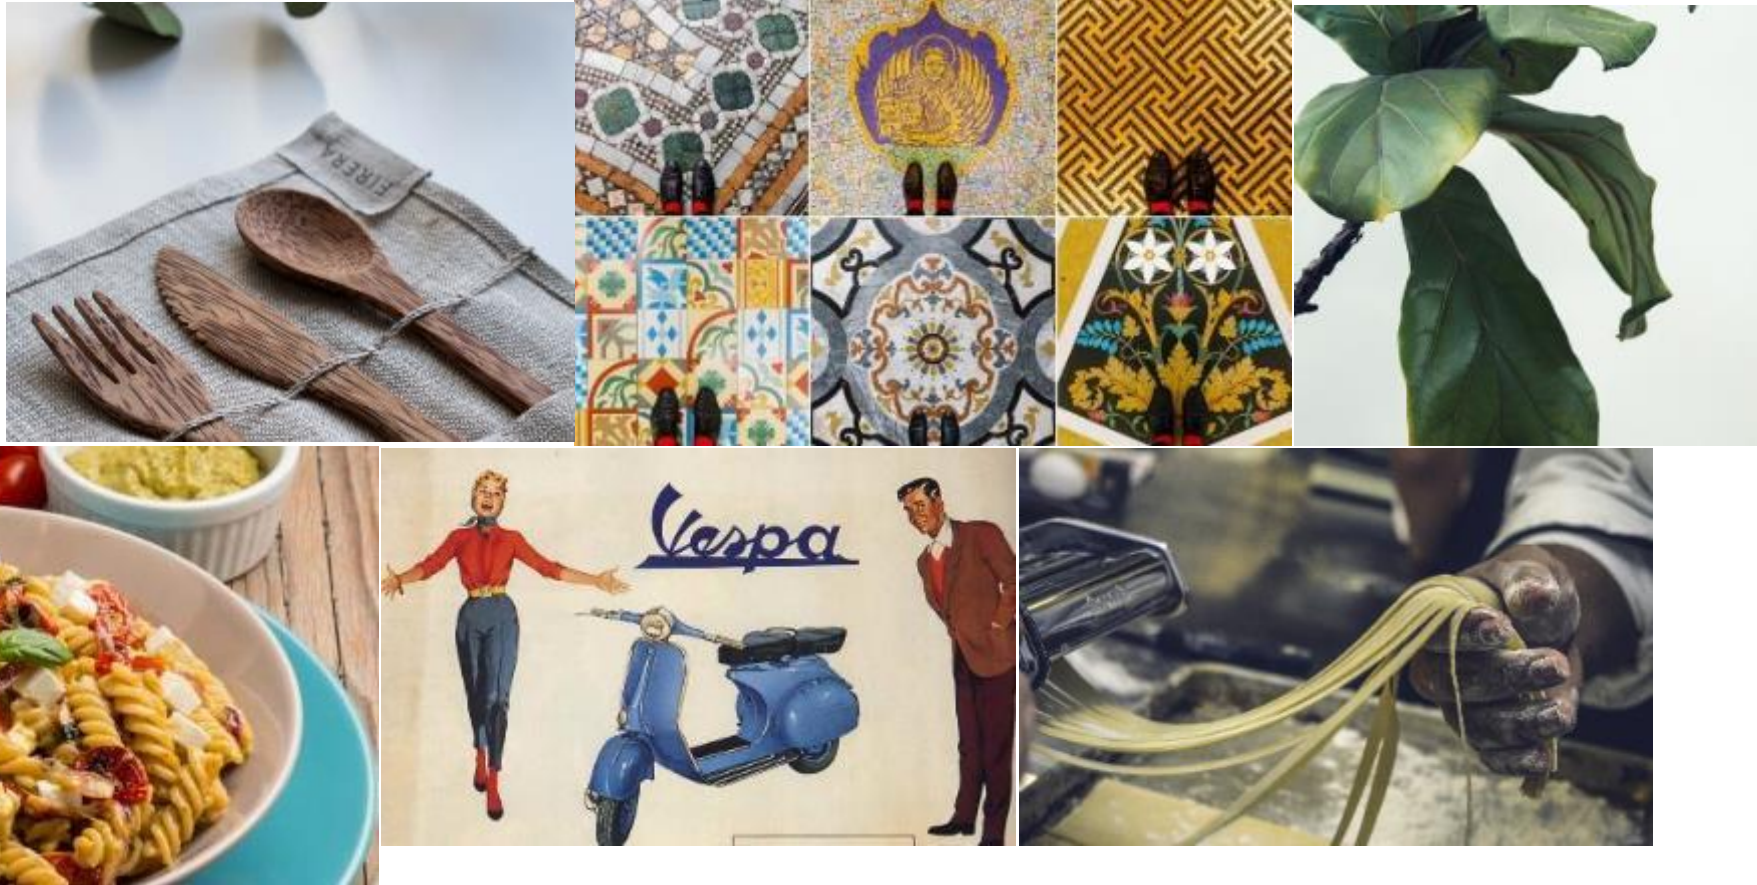

# New cookware range Made In Italy

# New range Made in Italy

# Naming

Rational

# AUTHENTIKA

A proposal of naming without turns of words, which enhances the line even before exploring it, immediately giving it a **spontaneous** connotation, genuine and associated with the image of Italy as that of a **country** that has in **food** a staple **for nature** and culture.

# Design

## Mood

*Tricolor*

*Art and history*

MOZZARELLA
